

Wigan Warriors Energy – 2017/18 Schedule of Customer Fees

Fee Code	GSP Group	Description	Price (Incl VAT)	Start Date
02A Metering system exchange - Zone A	Eastern Power Networks	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£59.81	20-Jul-17
02A Metering system exchange - Zone A	South Eastern Power Networks	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£59.81	20-Jul-17
02A Metering system exchange - Zone A	Western Power Distribution (South West)	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£59.81	20-Jul-17
02A Metering system exchange - Zone A	Southern Electric Power Distribution Plc	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£59.81	20-Jul-17
02A Metering system exchange - Zone A	Western Power Distribution (South Wales)	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£59.81	20-Jul-17
02A Metering system exchange - Zone A	Western Power Distribution West Midlands	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£59.81	20-Jul-17
02A Metering system exchange - Zone A	Electricity North West Limited	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£59.81	20-Jul-17
02A Metering system exchange - Zone A	SP Manweb Plc	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£59.81	21-Jul-17
02A Metering system exchange - Zone B	London Power Networks	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£68.77	20-Jul-17
02A Metering system exchange - Zone B	Northern Powergrid (Yorkshire) plc	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£68.77	20-Jul-17
02A Metering system exchange - Zone B	Northern Powergrid (Northeast) Limited	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£68.77	20-Jul-17
02A Metering system exchange - Zone B	SP Distribution Ltd	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£68.77	21-Jul-17
02C Metering system exchange - Zone A	Eastern Power Networks	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£103.67	20-Jul-17
02C Metering system exchange - Zone A	South Eastern Power Networks	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£103.67	20-Jul-17
02C Metering system exchange - Zone A	Western Power Distribution (South West)	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£103.67	20-Jul-17
02C Metering system exchange - Zone A	Southern Electric Power Distribution Plc	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£103.67	20-Jul-17
02C Metering system exchange - Zone A	Western Power Distribution (South Wales)	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£103.67	20-Jul-17
02C Metering system exchange - Zone A	Western Power Distribution West Midlands	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£103.67	20-Jul-17
02C Metering system exchange - Zone A	Electricity North West Limited	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£103.67	20-Jul-17
02C Metering system exchange - Zone A	SP Manweb Plc	Metering system exchange due to Faulty or Damaged Metering System - phase 1 traditional	£103.67	21-Jul-17
02C Metering system exchange - Zone B	London Power Networks	Metering system exchange due to Faulty or Damaged Metering System - phase 3 traditional	£119.22	20-Jul-17
02C Metering system exchange - Zone B	Northern Powergrid (Yorkshire) plc	Metering system exchange due to Faulty or Damaged Metering System - phase 3 traditional	£119.22	20-Jul-17
02C Metering system exchange - Zone B	Northern Powergrid (Northeast) Limited	Metering system exchange due to Faulty or Damaged Metering System - phase 3 traditional	£119.22	20-Jul-17
02C Metering system exchange - Zone B	SP Distribution Ltd	Metering system exchange due to Faulty or Damaged Metering System - phase 3 traditional	£119.22	21-Jul-17
02D Metering system exchange - Zone A	Eastern Power Networks	Metering system exchange due to Faulty or Damaged Metering System - CT traditional	£184.76	20-Jul-17
02D Metering system exchange - Zone A	South Eastern Power Networks	Metering system exchange due to Faulty or Damaged Metering System - CT traditional	£184.76	20-Jul-17
02D Metering system exchange - Zone A	Western Power Distribution (South West)	Metering system exchange due to Faulty or Damaged Metering System - CT traditional	£184.76	20-Jul-17
02D Metering system exchange - Zone A	Southern Electric Power Distribution Plc	Metering system exchange due to Faulty or Damaged Metering System - CT traditional	£184.76	20-Jul-17
02D Metering system exchange - Zone A	Western Power Distribution (South Wales)	Metering system exchange due to Faulty or Damaged Metering System - CT traditional	£184.76	20-Jul-17
02D Metering system exchange - Zone A	Western Power Distribution West Midlands	Metering system exchange due to Faulty or Damaged Metering System - CT traditional	£184.76	20-Jul-17
02D Metering system exchange - Zone A	Electricity North West Limited	Metering system exchange due to Faulty or Damaged Metering System - CT traditional	£184.76	20-Jul-17
02D Metering system exchange - Zone A	SP Manweb Plc	Metering system exchange due to Faulty or Damaged Metering System - CT traditional	£184.76	21-Jul-17

Wigan Warriors Energy – 2017/18 Schedule of Customer Fees

02D Metering system exchange - Zone B	London Power Networks	Metering system exchange due to Faulty or Damaged Metering System - CT traditional	£212.48	20-Jul-17
02D Metering system exchange - Zone B	Northern Powergrid (Yorkshire) plc	Metering system exchange due to Faulty or Damaged Metering System - CT traditional	£212.48	20-Jul-17
